

Cigna Dental Benefit Summary
Stepping Stones Healthcare Services,
LLC Plan Renewal Date:10/01/2024

Administered by: Cigna Health and Life Insurance Company

This material is for informational purposes only and is designed to highlight some of the benefits available under this plan. Consult the plan documents to determine specific terms of coverage relating to your plan. Terms include covered procedures, applicable waiting periods, exclusions and limitations. Receiving regular dental care can not only catch minor problems before they become major and expensive to treat - it may even help improve your overall health. Gum disease is increasingly being linked to complications for pre-term birth, heart disease, stroke, diabetes, osteoporosis and other health issues. That's why this dental plan includes **Cigna Dental WellnessPlusSM** features. When you or your family members receive any preventive care service in one plan year, the annual dollar maximum will increase in the following plan year. When you or your family members remain enrolled in the plan and continue to receive preventive care, the annual dollar maximum will increase in the following plan year, until it reaches the level specified below. Please refer to your plan materials for additional information on this plan feature. **Your plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.**

Benefit Plan Provisions:		
Reimbursement	For services provided by a Cigna Dental EPO network dentist, Cigna Dental will reimburse the dentist based on the dentist's contracted fees. There is no balance billing, which means that network dentists are not allowed to bill above the negotiated, discounted fees for covered services.	
Calendar Year Benefits Maximum	The plan will only pay for covered charges up to the yearly Benefits Maximum, when applicable. Benefit-specific Maximums may also apply.	
Calendar Year Deductible	This is the amount you must pay before the plan begins to pay for covered charges, when applicable. Benefit-specific deductibles may also apply.	

Pretreatment Review	Pretreatment review is available on a voluntary basis when dental work in excess of \$300 is proposed.
Alternate Benefit Provision	When more than one covered Dental Service could provide suitable treatment based on common dental standards, Cigna will determine the covered Dental Service on which payment will be based and the expenses that will be included as Covered Expenses.
Oral Health Integration Program®	The Cigna Dental Oral Health Integration Program offers enhanced dental coverage for customers with certain medical conditions. There is no additional charge to participate in the program. Those who qualify can receive reimbursement of their coinsurance for eligible dental services. Eligible customers can also receive guidance on behavioral issues related to oral health. Reimbursements under this program are not subject to the annual deductible, but will be applied to the plan annual maximum. For more information on how to enroll in this program and a complete list of terms and eligible conditions, go to www.mycigna.com or call customer service 24/7 at 1-800-Cigna24.
Timely Filing	Out of network claims submitted to Cigna after 365 days from date of service will be denied.
Benefit Limitations:	
Missing Tooth Limitation	For teeth missing prior to coverage with Cigna, the amount payable is 50% of the amount otherwise payable until covered for 24 months; thereafter, considered a Class III expense.
